Championship Round - Top 2
Saturday, December 13th

*A MINIMUM of 5 EG certified bulls will advance to the Semi-finals round and A MINIMUM of 1 EG certified bull will advance to Top 2 Showdown. If the top cumulative scores allow for more than 5 EG bulls allow them to advance to semifinals or more than 1 EG bull to Top 2, then more EG bulls will be accepted
 *If possible, Bull Riders that qualify for the Semi-finals or Final 2 will not be allowed to get on bull they have previously ridden at any bull that they have previously ridden at any point during Wildcard or Tournament
 *Bull Rider must ride more than 3 seconds to receive a score. If no bull riders in a head-to-head ride 3 seconds or less, the rider with the best bull score will advance
 *All bulls will receive a score plus a ride time (regardless of ride time) until they qualify for the Final 2; then the bull rider must ride over 3 seconds for the bull to get a score. Once bull gets to the Final 2, it's a single elimination, head-to-head competition for the riders and the bulls.
