

## Minutes from Judging Committee

The meeting was held at the Hideaway Ranch in Stephenville, TX on March 8<sup>th</sup> in attendants was Jim Mattocks, Lenny Tubbs, Matt Griffin and Don Mckenzie. The committee was giving an agenda by Billy to go over.

- 1 Formulate a mission statement. The committee came up with, to create a equal playing field for all EG events.
- 2 Review current rule book and submit changes to Larry Baker. the two changes we would like to see is add judges names to judges score sheets when posted after the events, second is to have two judges placed at the opposite end arena from the bucking chutes and one judge on each side of arena half way between bucking chutes and end of arena. The committee is still reviewing the rule book and well have additional comments by April 1<sup>st</sup>.
- 3 Discuss grading judges . We discuss varies ways to grade the judges what we came up with was the committee members that are at a event get together after the event and discuss the judges and judges sheets. This was not discussed but we might use a grading system of 1,2,3,4 one being the top and 4 being the bottom, committee members please give me some feedback.
- 4 Discuss ways to implement participant judging contest. This was discussed but nothing set in stone we are trying to figure out if it can be done and maybe used as a fund raiser for the awards committee.
- 5 Appoint a judges committee member to be on hand and prepared at each event to represent judges committee. Bull Jam well be Matt Griffin.
- 6 Determine where your next meeting will be. Next meeting will be at the Breckenridge CO event Sept. 1<sup>st</sup> and in the mean time will communicate by email.
- 7 Open discussion on ideas for improvement. What came up in open discussion was judge placement, which is covered in bullet 2 the other topic was commentating by Billy before the bulls are bucked, this then was brought to Billy's attention.

If anyone has any additions or corrections please reply.
